

# TANIA GRIFFITH

Front End Developer

# WORK EXPRIENCE

#### 1999 - Present

#### Designs by Tania Lynne

# Freelance Web Developer

So many different things over the years... Banner ads. E-learning. Flash games, applications and websites. Custom PHP/MySQL CMSs. Custom HTML5/CSS3/JavaScript animations, tools and web applications. Create and maintain WordPress and Joomla. Ensure sites are cross-browser compliant, mobile friendly and responsive.

2016-2016

#### Atlantic Bay Mortgage Group

# Front End Developer (Remote)

Lead front end developer on mobile-first web application to generate new business. Developed custom jQuery/JavaScript/AJAX tools and widgets that integrated with APIs. Created custom CSS3 animations. Agile/Scrum environment.

2014-2016

#### WomensForum.com

# Sr. Front End Developer (Remote)

Create and maintain WordPress, Joomla and Drupal websites. Convert Photoshop files into pixel-perfect, cross browser compliant, responsive websites. Create "out of the box" web advertising. Earned DoubleClick Studio certification. QA and bug fixes.

**2009-2014** 

#### Pearson Education (Poptropica)

## Flash Developer (Remote)

Worked closely with team to create educational children's games, including Poptropica.com islands and mini-games. Ensured all games were fully optimized for performance and loading. Peer to peer QA and bug fixes.

2003-2009

#### EG&G

## Lead CBT Developer (Remote)

Develop GUIs to interact with LMS APIs, write SCORM code for LMS delivery. Develop and maintain standards, including production templates. Mentor and supervise teammates.

# **EDUCATION**

#### 2000

## Entertainment Production - A.S.

DuBois Business College, Oil City, PA

CGPA: 3.92 on 4.0 scale
