Re: Employment Reference Letter

To Whom It May Concern:

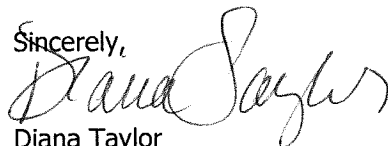

Ms. Tania Burris was employed by Atlantic Bay Mortgage Group as a full-time Front End Developer - Remote based remotely.

Tania was a true joy to work with. She always shared an excellent rapport with her peers and demonstrated superior communication skills. Her adept ability to connect with colleagues and serve as a team player was a winning combination. Tania's enthusiasm and diligence made her an asset to the organization. We were highly impressed with her skills and accomplishments, and felt that her background and experience were a good match for our company.

Unfortunately, the company down-sized on July 27, 2016 and Tania's position was impacted by the reduction in force.

I am confident that Tania would be an extremely valuable asset for any organization as she had proven to be at Atlantic Bay. I highly recommend her for a dynamic role with any company and wish her well in his future endeavors.

Sincerely,

Diana Taylor
